Title: Traditional Medicine Clinical Practice Manual.

Author: Galina V. Roofener

Publisher: Asian Therapies Academy

ISBN: 978-1-300-55072-3 Lulu Press

# Table of Contents

## Chapter 1 – Profession Standards

Learning Outcomes .....	21
1. Traditional Medicine Worldwide Strategic Vision .....	21
2. Traditional Chinese Medicine Education Standards.....	25
2.1. Traditional Medicine Education Standards Setting Agencies .....	25
2.2. Education Competencies .....	26
3. Provision for Acupuncturist Practice in the United States .....	27
3.1. National Board Certification .....	27
3.2. State License .....	28
3.3. Professional Organizations .....	29
3.3.1. State Acupuncture Associations .....	29
3.3.2. National Acupuncture Association .....	31
3.3.3. Other National & International Associations .....	31
3.4. Credentialing .....	32
3.5. Privileging .....	33
4. Hospital/ Integrative Practice – Expectations, Rights, and Responsibilities .....	36
5. Private Practice – Expectations, Rights, and Responsibilities .....	41
5.1. Primary Care - definitions, rights and responsibilities .....	41
5.2. Diagnosing Provider .....	43
6. Professional Ethics .....	44
6.1. Conventional Medicine Ethics .....	44
6.1.1. Ancient Hippocratic Oath .....	44
6.1.2. The Physician’s Pledge .....	45
6.2. Traditional Chinese Medicine Ethics .....	45
6.2.1. The Healer’s Oath of Sun Simiao .....	45
6.2.2. Modern US Acupuncturist Ethics .....	46
6.3. NCCAOM Discipline Grounds .....	46
6.4. Acupuncturist Practice Standards .....	47
7. Position of Acupuncturist Profession in the US Healthcare System .....	47
7.1. The Acupuncturist Profession History in the US .....	47
7.2. Bureau of Labor and Statistics (BLS) - Acupuncturists Profession Description .....	49
7.2.1. Education Requirements .....	50
7.2.2. Experience Requirements & Job Zone .....	50
7.2.3. National Certifications .....	50
7.2.4. Work Tasks .....	50
7.2.5. Work Activities .....	51
7.2.6. Detailed Work Activities .....	52
7.2.7. Skills Necessary .....	52
7.2.8. Knowledge Required .....	53
7.2.9. Work Ethics Required .....	53
7.2.10. Work Context .....	54
7.3. Acupuncturist Employment and Wages .....	55
7.3.1. Bureau of Labor & Statistics - Acupuncturists Employment & Wages .....	55
7.3.2. Bureau of Labor and Statistics (BLS) Comparison of Wages Between Specialties .....	57
7.3.3. Comparison of the Projected Employment Growth Years 2023-2033 .....	58
7.3.4. NCCAOM Job Survey Statistics .....	58
7.3.5. Challenges with Wage Estimates for Acupuncturists Engaged in Private Practice .....	58
8. Bibliography .....	59

## Chapter 2 – Care Standards

Learning Outcomes .....	63
1. Standards of Care in Traditional Medicine .....	63

1.1.1.	Standard of Care Determination Resources .....	64
1.1.2.	Acupuncturist/Traditional Medicine Practitioner Standards of Care .....	65
2.	Clinical Practice Guidelines in Traditional Medicine .....	66
3.	Care Pathways .....	66
3.1.	Clinical Care .....	66
3.1.1.	Level of Care .....	66
3.1.2.	Factors Affecting Care Pathways .....	67
3.2.	Maximum Therapeutic Benefit .....	67
3.3.	Maintenance Care .....	67
3.4.	Supportive Care .....	67
3.5.	Palliative Care .....	67
3.6.	Medically Necessary Care .....	68
3.7.	Letter of Medical Necessity .....	71
4.	Traditional Medicine Clinical Care Practice Standards .....	73
4.1.	Initial Evaluation and Management .....	73
4.2.	Re-Evaluation .....	75
4.3.	Acupuncture Procedure .....	77
4.4.	Coordination of Care and Referral .....	78
4.5.	Patient Education .....	79
5.	Guidelines for Medical Record Documentation .....	79
5.1.	Commonly Accepted Standards for Medical Record Documentation .....	79
5.2.	Accuracy of Data on Healthcare Claims .....	80
5.3.	Record Retention .....	80
5.4.	Legal Consideration of Documentation .....	80
5.5.	Other Purposes of Documentation .....	81
6.	Negligence .....	81
7.	Healthcare Provider Duties to the Patient .....	81
8.	Patient Rights and Responsibilities .....	82
8.1.	Patient Bill of Rights .....	82
8.2.	Patient Responsibilities .....	84
8.3.	Notice of Privacy Practices .....	84
9.	Appendix: Record Retention by State .....	84
10.	Bibliography .....	85

### **Chapter 3 – Billing Standards**

Learning Outcomes .....	87
1. Fundamentals of Medical Coding and Billing .....	87
1.1. Medical Coding and Billing Definitions .....	87
1.2. The Benefits of Medical Coding.....	88
1.3. Compliance with Medical Billing and Coding Rules .....	88
1.4. Billing and Coding Challenges .....	90
2. Medical Coding Basics .....	90
2.1. ICD Codes .....	91
2.2. CPT Codes .....	92
2.3. HCPCS Codes .....	92
2.4. Modifiers .....	93
ICF codes .....	93
2.5. DRG Codes .....	94
3. ICD-10 Coding in the Practice of Acupuncture .....	94
4. The Most Commonly Used CPT Codes in the Practice of Acupuncture .....	95
4.1. Evaluation and Management (E/M) Services CPT Codes .....	95
4.1.1. E/M Services Billing Legalities .....	95
4.1.2. E/M Services CPT Codes Description .....	97
4.1.3. E/M Code Selection Guidelines .....	98
4.1.4. E/M Coding in Acupuncture Clinical Practice .....	103
4.2. Acupuncture Codes .....	106
4.2.1. Maximum Units of Acupuncture CPTs per Encounter Utilization Guidelines .....	106
4.2.2. Relative Value Units (RVU) .....	107
4.2.3. Acupuncture CPT Description .....	107
4.2.4. Acupuncture CPT Coding Rules in Clinical Practice .....	108

4.3.	Physical Therapy and Other CPT Codes .....	109
4.4.	Modifiers Used in Acupuncture Practice .....	110
4.5.	Diagnosis Pointer .....	111
4.6.	Coding Summary .....	111
4.6.1.	Coding Determination Principles .....	111
4.6.2.	Inaccurate Coding .....	113
5.	Coding and Billing No-Show & Left-Without-Being-Seeing .....	113
6.	Billing Basics .....	115
6.1.	Office Billing Basics .....	115
6.1.1.	Billing Start-Up .....	115
6.1.2.	In or Out of Network Considerations .....	116
6.1.3.	Navigating Payer Contracts for Key Medical Billing and Coding Details .....	116
6.1.4.	Medical Billing Process .....	117
6.1.5.	Tips for Reporting Accurate Medical Bills .....	119
6.1.6.	Responsibilities of a Medical Billing Professional .....	119
6.2.	Acupuncture Office Billing Forms .....	119
6.2.1.	Superbill .....	119
6.2.2.	Claims .....	121
6.3.	Trends in Medical Billing .....	123
7.	Insurance Company Types and Billing Specifics .....	124
7.1.	Individual Payers .....	124
7.2.	Self-Ensured Plans .....	125
7.3.	Specialty Care Services .....	125
7.4.	Veterans Administration (VA) .....	125
7.5.	Workers Compensation .....	127
7.6.	Personal Injury .....	131
7.7.	Medicaid .....	133
7.8.	Medicare .....	134
7.8.1.	Original Medicare (Part B) .....	134
7.8.2.	Medicare Advantage (Part C) .....	139
7.9.	Cobra .....	139
7.10.	Spending & Savings Accounts .....	139
7.10.1.	Flexible Spending Accounts (FSA) .....	140
7.10.2.	Health Savings Account (HSA) .....	140
7.10.3.	FSA and HSA Eligibility Details for Acupuncture Services .....	141
7.10.4.	FSA Versus HAS .....	143
7.10.5.	Medical Savings Account (MSA) .....	145
7.10.6.	Health Reimbursement Arrangement (HRA) .....	145
8.	Insurance Payment and Recoupment .....	145
8.1.	Insurance Payment .....	145
8.1.1.	In-Network Provider Reimbursement .....	145
8.1.2.	Out-of-Network Provider Reimbursement .....	146
8.2.	Explanation of Benefits (EOB) and Electronic Remittance Advice (ERA) .....	147
8.2.1.	Explanation of Benefits (EOB) .....	147
8.2.2.	Electronic Remittance Advice (ERA) .....	148
8.2.3.	Remittance Advice Reconciliation .....	148
8.2.4.	Balance Wright-off Guidelines .....	149
8.3.	Claim Payment Recoupment .....	150
8.3.1.	Statutes of Limitations .....	151
8.3.2.	Timely Recoupment Appeal .....	151
8.4.	Insurance Claim Appeal .....	152
8.4.1.	Reasons for Claim Denial .....	152
8.4.2.	Writing an Appeal Letter Procedure .....	153
8.4.3.	Appeal Letter Example .....	154
9.	Audit .....	157
9.1.	Audit Introduction .....	157
9.1.1.	Factors Triggering Audit .....	157
9.1.2.	Purpose of a Post-Payment Audit .....	157
9.1.3.	Audit Procedures .....	157
9.1.4.	Prepare for Audit .....	158

9.2. Lessons Learned from Published Audits .....	160
9.3. Best Practice Strategies for Audit Readiness .....	161
10. Billing to Patient .....	162
10.1. Fees Determination Rules .....	162
10.1.1. Usual and Customary Fees Based on the Insurance Rates Method .....	162
10.1.2. Usual and Customary Fees Based on the Cost of Doing Business Method .....	165
10.2. Discounts .....	165
10.2.1. Prompt-Pay Discounts .....	166
10.2.2. Self-Pay Discount .....	166
10.2.3. Marketing Discounts .....	166
10.2.4. Sliding Scale or Hardship Discounts .....	166
10.2.5. Prepaid Plans .....	167
10.2.6. Other Discounts .....	167
10.2.7. Free 15-minute Consultation .....	168
11. Glossary of Insurance Terms .....	168
12. Bibliography .....	175

### **Chapter 4 – Customer Service Standards**

Learning Outcomes .....	179
1. Customer Service Standards in Healthcare .....	179
2. Front Desk Operations .....	181
2.1. Role of the Front Office in Maximizing Patient Retention .....	181
2.2. Scheduling Basics .....	182
2.2.1. Factors Affecting Scheduling .....	182
2.2.2. Primary Methods of Appointments .....	182
2.2.3. Schedule Patients Effectively .....	183
2.2.4. Optimize Front Desk Time .....	184
2.2.5. Optimize Scheduling Calendar Appearance .....	185
2.2.6. Scheduling Examples .....	186
2.2.7. Optimize Provider Time by Utilizing an Appointment Diversification Strategy .....	189
2.3. Scheduling and Checking-In in the EHR.....	191
2.3.1. Patient Scheduling Process .....	191
2.3.2. Patient Check-in Process .....	192
3. Components of the Health Record .....	193
3.1. Demographic Information .....	194
3.2. Billing Information .....	195
3.3. Problem List .....	195
3.4. Allergies List .....	196
3.5. Medication List .....	197
3.6. Supplements List .....	197
3.7. Cautions List .....	197
3.8. Vital Signs .....	197
4. Paper Health Records .....	197
5. Electronic Health Records (EHR) .....	198
5.1. Provider Portal .....	198
5.2. Patient Portal .....	199
6. Health Record Forms .....	201
6.1. Informed Consent .....	201
6.2. Health Information Forms .....	202
6.3. Financial Forms .....	202
6.4. Legal Forms .....	202
7. Bibliography .....	203

### **Chapter 5 – Evaluation Standards**

Learning Outcomes .....	205
1. Documentation Standards .....	205
1.1. Accuracy of Documentation .....	206
1.2. Ethical Considerations for Clinical Records .....	206
1.3. Inappropriate Documentation Prevention Guidelines .....	207

2.	CMS Evaluation and Management (E/M) Documenting Requirements .....	208
2.1.	General Principles of Evaluation and Management (E/M) .....	208
2.2.	Updated CMS guidelines .....	209
3.	Medical Decision Making (MDM) .....	209
3.1.	Medical Decision Making Elements .....	209
3.2.	Number of Diagnoses and Management Options .....	210
3.3.	Amount and Complexity of Data to be Reviewed .....	211
3.4.	Risk of Significant Complications, Morbidity, and Mortality .....	211
4.	Basics of Documentation in the Clinical Practice .....	212
4.1.	Note Types .....	212
4.2.	SOAP Note Introduction .....	213
4.2.1.	Common SOAP Notes Mistakes .....	213
4.2.2.	SOAP Note Best Practices .....	213
4.2.3.	Components of the Comprehensive SOAP Note .....	215
5.	SOAP Note Elements of the Medical Decision Making (MDM) .....	216
5.1.	Chief Complaint(s) .....	216
5.2.	General Data .....	216
5.3.	Subjective .....	218
5.3.1.	History of Present Illness (HPI) .....	219
5.3.2.	Functional Assessment Tools .....	220
5.3.3.	Current and Prior Treatments .....	224
5.3.4.	Adverse Events Monitoring .....	224
5.3.5.	Review of Systems (ROS) .....	225
5.3.6.	Past, Family, and Social History (PFSH) .....	228
5.3.7.	Social Determinants of Health (SDH) .....	230
5.3.8.	Cultural Competency Questions .....	231
5.3.9.	Notes on History and Exam Documentation .....	231
5.4.	Objective .....	232
5.4.1.	Vital Signs .....	232
5.4.2.	Observation .....	233
5.4.3.	Physical Examination .....	233
5.4.4.	Review of Documentation from Other Healthcare Providers .....	237
5.4.5.	Laboratory Studies and Other Diagnostic Test Findings Results .....	237
5.4.6.	Tongue and Pulse .....	239
5.5.	Assessment .....	241
5.5.1.	Traditional Medicine Clinical Impression .....	241
5.5.2.	Traditional Medicine Theory .....	242
5.5.3.	Treatment Strategy .....	242
5.5.4.	Problem(s) Addressed .....	242
5.5.5.	Traditional Medicine Pattern(s) .....	242
5.5.6.	Traditional Medicine Treatment Principle(s) .....	242
5.5.7.	Assessment Case Studies .....	242
5.6.	Plan .....	244
5.6.1.	Treatment Modalities .....	244
5.6.2.	Treatment Course Frequency and Duration .....	244
5.6.3.	Treatment Goal(s) .....	245
5.6.4.	Planned Therapy Outcomes .....	245
5.6.5.	Labs and Tests Planned or Ordered .....	245
5.6.6.	TCHM Prescribed .....	245
5.6.7.	Supplements Recommended .....	246
5.6.8.	Lifestyle Recommendations .....	246
5.6.9.	Dietary Recommendations .....	246
5.6.10.	Patient Education and Counseling .....	246
5.6.11.	Acupuncture Encounter Plan Section Example .....	246
5.7.	After-Visit Summary .....	247
3.	Documenting Phone Call Communication .....	248
4.	Documenting No-Show and Left-Without-Being-Seeing .....	248
5.	Appendix – CMS Definitions .....	250
6.	Bibliography .....	252

**Chapter 6 – Acupuncture Procedure Standards**

Learning Outcomes .....	255
1. Acupuncture Procedure Introduction .....	255
1.1. Definitions .....	255
1.2. Acupuncture CPT Codes Explanation .....	256
1.3. Adjunct Modalities Used in the Practice of Acupuncture .....	257
2. Documenting Acupuncture Procedure .....	257
2.1. Acupuncture Episode of Care .....	257
2.2. E/M Services CPT Codes Utilization in the Practice of Acupuncture .....	258
2.3. Elements of the Follow-up Acupuncture Procedure Encounter .....	258
3. Examples of the Follow-Up Acupuncture Procedure Encounter Note .....	260
3.1. Example of Documenting ONE Unit of Acupuncture .....	260
3.2. Example of Documenting TWO Units of Acupuncture .....	263
3.3. Example of Documenting THREE Units of Acupuncture .....	268
4. Acupuncture Dosage Determination .....	273
5. Acupuncture Adverse Events Identification .....	274
5.1. Contraindications for Acupuncture to Avoid Adverse Events (AE) .....	274
5.2. Cautions for Acupuncture to Avoid AE .....	274
5.3. Routine Screening Procedure for Potential Acupuncture Adverse Reactions (AR) .....	275
5.4. Acupuncture Adverse Event Grading .....	275
5.5. Strategies to Avoid AE Associated with the Acupuncture Procedure .....	275
5.6. Investigating Suspected Acupuncture AR .....	276
5.7. Acupuncture Adverse Events Classification .....	277
6. Documenting Adverse Events .....	278
7. Acupuncture and Adjunct Techniques Adverse Events Reporting .....	278
8. Acupuncture and Adjunct Techniques Adverse Events Mitigation Strategies .....	278
9. Acupuncture and Devices Used in the Practice of Acupuncture Regulation .....	280
10. Bibliography .....	281

**Chapter 7 – TCHM Standards**

Learning Outcomes .....	283
1. Traditional Herbal Medicine Worldwide .....	284
2. Herbal Medicine Regulations in the United States .....	285
3. Herbal Medicine Language Compliant with the FDA Guidelines .....	286
3.1. FDA Guidelines for a Small Entity Compliance Guide on Structure/Function Claims .....	286
3.2. FDA Compliant Language Guidelines for the TCHM Professional Education .....	291
4. Traditional Chinese Herbal Medicine Prescriptiology .....	291
4.1. Guidelines for TCHM Prescription Writing .....	291
4.1.1. TCHM Formula Prescription Elements .....	291
4.1.2. Requirements for Naming Herbs in the TCHM Professional Practice .....	292
4.1.3. Use of Abbreviations in Healthcare Records .....	292
4.1.4. TCHM Prescription Formulation Principles .....	292
4.1.5. TCHM Prescribing Guidelines .....	293
4.1.6. Dosage Determination Guidelines According to Age and Weight .....	294
4.1.7. Factors Affecting Dosage .....	295
4.1.8. TCHM Prescription Styles .....	295
4.1.9. TCHM Dose Calculation Case Studies .....	296
4.2. Dosing Challenges for Ready-made/Patent Preparations .....	301
4.3. TCHM Intake Duration Guidelines .....	302
4.4. TCHM Custom Compounded Formula Naming Guideline .....	302
5. Traditional Herbal Medicine Documentation Specifics .....	303
6. Traditional Herbal Medicine Coding .....	306
7. Herbal Medicine Supply Chain Standards .....	306
7.1. Growing Standards .....	307
7.2. Manufacturing Standards .....	307
7.2.1. Small Business TCHM Manufacturing .....	307
7.2.2. Large Business TCHM Manufacturing .....	307
7.3. Vendor/Distributor Standards .....	308
7.4. Custom Compounding TCHM Pharmacy/Dispensary Standards .....	309

7.5.	TCHM Practitioner Standards .....	309
8.	Traditional Chinese Herbal Medicine Dispensary .....	309
8.1.	Preparation Forms of Traditional Chinese Herbal Medicine .....	309
8.1.1.	Traditional Preparations Concentration and Safety Considerations .....	309
8.1.2.	Modern Preparations Concentration and Safety Considerations .....	310
8.2.	Administration of Traditional Chinese Herbal Medicine .....	311
8.2.1.	Ready-Made/Patent TCHM Products .....	311
8.2.2.	Custom Compounded TCHM .....	311
8.3.	Choosing Dispensing Practice .....	312
8.3.1.	Dispensing Practice Considerations .....	312
8.3.2.	Dispensary Types, Pros, and Cons .....	312
8.4.	TCHM in Office Inventory Management .....	313
8.4.1.	Ready-Made/Patent TCHM Inventory .....	313
8.4.2.	Custom Compounding Inventory .....	314
8.4.3.	Return Policy Example .....	314
8.5.	TCHM Custom Compounding Best Practices and Dispensary Setup .....	314
8.6.	Updated Guidance on Allergens in TCHM .....	315
8.6.1.	List of Major Food Allergens .....	315
8.6.2.	Labeling Guidelines .....	315
8.6.3.	List of Herbs Containing Potential Allergens .....	316
9.	Contraindications and Risk Factor Identification .....	317
9.1.	Contraindications and Cautions .....	317
9.2.	Allergy Risk to TCHM .....	318
9.3.	Liver Injury Risk .....	318
9.3.1.	Liver Injury Classification .....	319
9.3.2.	Liver Injury Risk Factors .....	319
9.3.3.	Drugs and Chemicals That May Cause Liver Injury .....	320
9.3.4.	Symptoms of Liver Failure .....	320
9.4.	Kidney Injury Risk .....	320
9.4.1.	Risk Factors for Drug-induced Incidences of Acute Renal Failure (ARF) .....	321
9.4.2.	Acute Kidney Injury Grading .....	321
9.4.3.	Acute Renal Failure (ARF) Types and Linked Drugs .....	321
9.4.4.	Kidney Failure Symptoms .....	322
9.4.5.	TCHM Nephrotoxicity .....	322
9.5.	Conventional Medicine Approach to Drug-Herb Interactions .....	323
9.6.	Traditional Medicine Approach to Drug-Herb Interactions .....	323
9.7.	Herbs of Caution .....	324
10.	Traditional Chinese Herbal Medicine Adverse Events Recognition .....	324
10.1.	Therapeutic Effect .....	325
10.2.	Adverse Reaction .....	325
10.3.	Side Effect .....	328
11.	Traditional Chinese Herbal Medicine Adverse Events Prevention Strategies .....	328
11.1.	Strategies to Avoid Adverse Events .....	328
11.2.	Contraindications for TCHM to avoid AE .....	329
11.3.	Cautions for TCHM to Avoid AE .....	329
11.4.	Routine screening for potential Adverse Reactions (AR) .....	329
11.5.	Investigating suspected Adverse Reaction (AR) .....	330
11.6.	AE Grading .....	330
11.7.	TCHM practitioner's action if the patient reported possible AR .....	331
12.	Traditional Chinese Herbal Medicine Adverse Events Mitigation Strategies .....	331
13.	Traditional Chinese Herbal Medicine Adverse Events Causality Assessment .....	333
14.	Traditional Chinese Herbal Medicine Adverse Events Reporting .....	334
14.1.	Adverse Events Collecting & Reporting Methods .....	334
14.2.	Serious Adverse Event (SAE) Reporting Guidelines .....	334
14.3.	TCHM AE Reporting .....	335
14.4.	Traditional Chinese Herbal Medicine Adverse Event Report Example .....	335
15.	Appendix A – COA examples .....	337
16.	Bibliography .....	339

**Chapter 8 – Labs/Test Standards**

Learning Outcomes .....	343
1. Labs Legal Regulations .....	343
1.1. Regulations Pertaining to Laboratories .....	343
1.1.1. Federal Regulations Pertaining to Laboratories .....	343
1.1.2. State Regulations Pertaining to Laboratories .....	343
1.2. Regulations Pertaining to Acupuncturists .....	344
2. Labs Ordering .....	345
2.1. Ethical Considerations for Labs Ordering .....	345
2.2. Lab Order Requisitioning Procedures .....	345
3. Imaging Tests Regulations .....	347
3.1. Regulations Pertaining to Imaging Centers .....	347
3.1.1. Federal Regulations Pertaining to Imaging Centers .....	347
3.1.2. State and Other Regulations Pertaining to Imaging Centers .....	348
3.2. Regulations Pertaining to Acupuncturists .....	349
4. Imaging Test Ordering .....	351
4.1. Imaging Tests Most Frequently Utilized Within Acupuncturists' Scope of Practice .....	351
4.2. Imaging Tests Order Requisitioning Procedures .....	351
5. Billing for Labs/Tests .....	353
5.1. Services Covered by Administrative Fees .....	353
5.2. Administrative Fee Collections Procedures .....	353
6. Labs/Tests Considerations in Clinical Practice .....	354
6.1. Clinical Practice Guidelines .....	354
6.1.1. Acupuncturist Competencies Related to Labs/Tests .....	354
6.1.2. Ethical Considerations for Labs/Tests Ordering .....	355
6.1.3. Guideline to Avoid Medical Errors .....	356
6.1.4. Key Principles for Lab/Test Ordering, Interpretation, and Management .....	356
6.1.5. Lab/Test Types Utilized by Acupuncturists .....	356
6.2. Labs in Clinical Practice .....	356
6.2.1. Factors Affecting Reference Range .....	357
6.2.2. Clinical Significance of Laboratory Findings .....	360
6.2.3. Laboratory Red Flag Findings .....	361
6.3. Imaging Tests in Clinical Practice .....	362
6.3.1. Clinical Considerations for Imaging Tests .....	362
6.3.2. Clinical Appropriateness Framework for Ordering Imaging Studies .....	366
6.3.3. Imaging Red Flags Findings .....	367
7. Labs/Tests Documenting Guidelines .....	367
7.1. Documenting Lab Results in Patient's Record and Notes .....	367
7.2. Documenting Imaging Test Results in Patient's Records and Notes .....	368
8. Labs/Tests Communication to the Patient .....	370
8.1. Ordering Recommendations Ethical Communication Guidelines .....	370
8.2. Results Explanation Ethical Communication Guidelines .....	371
8.3. Treatment Plan Key Communication Concepts .....	372
9. Bibliography .....	372

**Chapter 9 – Terminology Standards**

Learning Outcomes .....	375
1. The Practice of Medicine Standardization Purpose .....	375
2. ICD-11 Chapter 26 Traditional Medicine (TM1) Purpose .....	376
3. Traditional Medicine Standardization History .....	378
4. Chapter 26 (TM1) Overview .....	379
5. Conventional Medicine Diagnosis Guidelines .....	380
5.1. Establishing the Diagnosis .....	380
5.1.1. Principles of Clinical Diagnosis .....	380
5.1.2. Clinical Reasoning .....	381
5.2. Documenting ICD-10-CM Conventional Diagnosis .....	382
5.2.1. First-listed ICD-10 Diagnosis Selection Principles .....	382
5.2.2. Multiple Comorbidities Coding Rules .....	383
5.2.3. Counting Number of Diagnoses Addressed per Encounter Rules .....	383
5.2.4. Diagnosis Specificity Coding Rules .....	383

5.2.5.	Problem Laterality Coding Rules .....	384
5.2.6.	Diagnosis Sequencing .....	384
5.2.7.	First-listed Diagnosis Coding During an Episode of Care .....	385
5.2.8.	Inappropriate Primary Diagnosis Codes .....	385
5.2.9.	TM Disorder Diagnosis Coding in the United States .....	385
5.3.	ICD-10 Coding Resources .....	386
6.	Traditional Medicine Diagnosis Guidelines .....	387
6.1.	TCM Diagnosis Principles .....	387
6.1.1.	TCM Etiology .....	387
6.1.2.	TCM Theories .....	388
6.1.3.	TCM Treatment Strategies .....	388
6.2.	TM Diagnosis Coding Rules .....	388
6.2.1.	TM Pattern Diagnosis Formulation Rules .....	388
6.2.2.	TM Diagnostic Concepts .....	388
6.2.3.	TM Pattern Codes Sequencing Rules .....	389
6.3.	Case studies .....	389
6.3.1.	Case Study # 1 .....	389
6.3.2.	Case Study # 2 .....	390
6.3.3.	Case Study # 3 .....	392
7.	Adopting ICD-11 Chapter 26 for Non-TCM Acupuncture Styles .....	393
7.1.	Acupuncture Styles .....	393
7.2.	Non-TCM Style Coding Rules .....	394
8.	Documenting ICD-11 Chapter 26 TM1 Patterns in the EHR Guidelines .....	396
9.	ICD-11 Navigation Guide .....	397
10.	ICD-11 Chapter 26 TM1 Pattern Descriptions Table .....	402
11.	Bibliography .....	421

### **Chapter 10 – Legal Standards**

Learning Outcomes .....	423
1. Healthcare Law Introduction .....	424
2. Confidentiality of Health Records (HIPAA) .....	425
2.1. Health Insurance Portability & Accountability Act (HIPAA) .....	425
2.2. Privacy Rule .....	425
2.2.1. What is PHI? .....	426
2.2.2. What is not PHI? .....	427
2.2.3. Privacy Rules Policies and Procedures Requirements .....	427
2.2.4. When may PHI be disclosed? .....	428
2.2.5. When PHI may NOT be disclosed? .....	428
2.2.6. Incidental Disclosures .....	428
2.2.7. PHI and Minors .....	429
2.3. Security Rule .....	429
2.3.1. HIPAA Breach Notification Rule .....	430
2.3.2. HIPAA Rules Enforcement .....	431
2.4. Notice of Privacy Practices .....	431
2.4.1. How the Notice Should be Made Available to Individuals .....	432
2.4.2. Communicate to Patients the Importance of HIPAA and the Benefits of EHR .....	433
3. HITECH Compliance .....	433
3.1. Meaningful Use .....	433
3.2. Cybersecurity .....	434
3.2.1. The Threat of Cyber-Attacks .....	434
3.2.2. Hacking .....	434
3.2.3. Tracking Technologies and Their Uses .....	434
3.2.4. Electronic Communication Safeguards .....	435
4. Office HIPAA Compliance .....	436
4.1. HIPAA Security Risk Assessment (SRA) .....	436
4.2. Personnel HIPAA Training .....	436
4.2.1. Most Common HIPAA Violations in the Office .....	437
4.3. Communication with Other Providers .....	438
4.3.1. HIPAA Compliant Care Coordination with Other Healthcare Providers .....	438

4.3.2.	Use of PHI for Professional Education, Research, and Publications .....	438
4.4.	HIPAA Compliant Patient Photography .....	438
4.5.	Medical Records Release .....	440
4.5.1.	Medical Records Release Authorization Form .....	440
5.	Secure Communication .....	444
5.1.	In-Person Patient HIPAA Compliant Communication .....	444
5.2.	HIPAA Compliant Patient Communication via Telephone .....	444
5.3.	HIPAA Compliant Patient Communication via Mail .....	444
5.4.	HIPAA Compliant Text Messaging .....	444
5.5.	HIPAA Compliant Communication via Email & App Messaging .....	446
5.5.1.	HIPAA Violation Email Examples .....	446
5.5.2.	Frequent Questions .....	446
5.6.	Email Marketing .....	447
5.7.	Social Media .....	447
5.7.1.	Frequent Questions .....	448
5.7.2.	Common Violations .....	449
6.	Technology in Healthcare .....	450
6.1.	HIPAA Compliant Payment Processing .....	450
6.2.	Electronic Health Records (EHR) Systems .....	450
6.2.1.	Keeping Your Patients' Health Information Secure with an EHR .....	450
6.2.2.	Benefits of Electronic Medical Records .....	451
6.2.3.	Barriers to Electronic Medical Records .....	451
6.2.4.	Copy and Paste Practices in EHR .....	452
6.3.	Telehealth Platforms .....	452
6.4.	Artificial Intelligence (AI) .....	452
6.4.1.	Challenges for AI in Healthcare .....	452
6.4.2.	Generative AI HIPAA Compliance .....	453
6.5.	Dictation Software .....	453
6.6.	Grammar Software .....	454
6.7.	Devices & Apps .....	455
7.	ADA compliance .....	456
7.1.	Accommodation of Patients with Disabilities in the Office .....	456
7.2.	Accommodation of Patients with Disabilities on the Website .....	458
7.3.	Accommodation of Patients with Communication Difficulties .....	459
7.4.	Interpreter Services for Patients with Limited English Proficiency .....	460
7.5.	Service Animals .....	462
8.	Mandatory Reporting to Governmental Agencies .....	463
8.1.	Duty to Report Abuse, Neglect, and Exploitation .....	463
8.2.	Reportable Diseases.....	463
9.	Fraud and Abuse Laws .....	464
9.1.	Fraud .....	464
9.1.1.	False Claim Act .....	466
9.1.2.	False Claims in Acupuncture Practice .....	466
9.2.	Abuse Laws .....	467
9.2.1.	Anti-Kickback Statute .....	467
9.2.2.	Self-Referral Law - the Stark Law .....	467
9.2.3.	PSQIA .....	468
10.	Appendix: Example – CA Medical Records Release Authorization Form .....	469
11.	Appendix: Example - Florida Infectious Disease Reporting Form .....	471
12.	Bibliography .....	472

### **Chapter 11 – Clinic Standards**

Learning Outcomes .....	475	
1. Practice Start-Up .....	475	
1.1	Join your State Professional Association .....	476
1.2	Graduate from the Accredited Acupuncture and Herbal Medicine College .....	476
1.3	Obtain National Board Certification .....	476
1.4	Obtain Occupational License .....	476
1.5	Prepare for Employment .....	477
1.5.1.	Resume or CV and Cover Letter .....	477

1.5.2.	Where to Find Posted Job Advertisements or Post Job Inquiries Yourself? .....	478
1.5.3.	Interview Tips .....	479
1.6	Employment Options .....	480
1.6.1.	I Received a Position Offer at the Hospital/Integrative Practice. What Next? .....	481
1.6.2.	I Accepted the Hospital Employment. What is Next? .....	482
2.	Business Set-Up .....	483
2.1.	Form the Business Entity .....	483
2.1.1.	Name Your Business .....	483
2.1.2.	Choose the Business Entity Type .....	483
2.1.3.	Register the Business with the State .....	486
2.2.	Obtain Internal Revenue Service Number .....	486
2.3.	Obtain Professional Liability Coverage with Proper Limits .....	487
2.4.	Clinic Facility .....	487
2.4.1.	Clinic Location .....	487
2.4.2.	Commercial Lease .....	488
2.4.3.	Local Building and Zoning Permits .....	490
2.4.4.	Fire Department Inspection Certificate .....	490
2.5.	General Liability Coverage .....	492
2.6.	Business Tax Receipt .....	493
2.7.	Biomedical Waste Permit .....	493
2.8.	Seller's Permit .....	493
2.9.	Financial Planning .....	495
2.9.1.	Accounting & Tax Preparation Professional Services .....	495
2.9.2.	Banking .....	497
2.9.3.	Merchant .....	497
2.9.4.	Bookkeeping .....	482
2.9.5.	Establish Practice Fee Schedule .....	497
2.9.6.	Budgeting .....	498
2.9.7.	Determine Practice Financing Resources .....	500
2.10.	Attorney Professional Services .....	501
2.11.	Health Insurance, Financial Planner .....	501
3.	Office Set-Up .....	501
3.1.	HIPAA Privacy & Security Manual .....	502
3.2.	Red Book .....	502
3.3.	Emergency Response Manual.....	502
3.4.	Employee Handbook .....	503
3.5.	Office Policies & Procedures Manual .....	503
3.6.	Clinic Procedures Manual .....	503
4.	Support Team Development .....	503
4.1.	Support Team .....	503
4.1.1.	Office Maintenance .....	504
4.1.2.	Marketing Support .....	504
4.1.3.	IT Team .....	504
4.1.4.	Clinic Support .....	505
4.1.5.	Professional Support .....	505
4.2.	Business Associate Agreement .....	508
5.	Clinic Set-Up .....	509
5.1.	Private Appointment Practice Model .....	509
5.2.	Community Practice Model .....	510
5.3.	Franchise Practice Model .....	510
5.4.	Mobile Practice Model .....	510
5.5.	Telehealth Practice Model .....	511
6.	Pathway to Success .....	511
6.1.	Best Strategies and Mistakes .....	511
6.1.1.	Ten Common Mistakes to Avoid When Starting a Medical Practice .....	511
6.1.2.	Roadblocks to Your Success as a New Practice .....	512
6.1.3.	Traits of a Successful Practice .....	513
6.2.	Marketing .....	514
6.2.1.	Best Practices for Acupuncture Marketing .....	514
6.2.2.	Marketing Budget .....	516

7. Closing Your Practice: Retirement, Relocation, Selling Your Practice .....	516
8. Bibliography .....	519
<b>Chapter 12 – Telehealth Standards</b>	
Learning Outcomes .....	523
1. Telehealth Position in the United States Healthcare .....	523
1.1. Economics of Telehealth .....	524
1.2. Challenges of Telehealth .....	525
1.3. Benefits of Telehealth .....	525
2. Law, Rules, and Regulations Pertaining to Telehealth .....	525
2.1. Practice of Telehealth .....	525
2.1.1. Definitions of Telehealth .....	525
2.1.2. Telehealth Regulations Recourses .....	526
2.1.3. Does Telemedicine Law Apply to Acupuncturists? .....	527
2.1.4. May I Practice via Telehealth Internationally? .....	528
2.1.5. May Acupuncturists Practice via Telehealth in Every State? .....	528
2.1.6. May I Practice via Telehealth Across State Lines? .....	528
2.1.7. Patient-Provider Relationship Establishment Rules .....	529
2.1.8. Scope of Practice .....	529
2.1.9. Hospital Telehealth Practice Regulations .....	529
2.2. Professional Liability Insurance for Telehealth .....	530
3. HIPAA Compliance .....	530
3.1. HIPAA Specifics to Telehealth .....	530
3.1.1. HIPAA Security Rule .....	530
3.1.2. HIPAA Compliant Telehealth Phone Calls .....	531
3.1.3. Privacy Rule HIPAA Telehealth Challenges .....	532
3.1.4. HITECH Act .....	532
3.1.5. HIPAA Compliant Telemedicine Business Associates .....	533
3.2. Telehealth Ethics .....	533
3.2.1. Respect Patient Boundaries .....	533
3.2.2. Respect Clinician Boundaries .....	533
3.3. Informed Consent for Telehealth .....	533
3.3.1. Telehealth Consent Regulations .....	533
3.3.2. Telehealth Consent Content .....	534
3.4. ID Verification .....	534
4. Telehealth Logistics .....	535
4.1. Telehealth Software Vendors Selection .....	535
4.2. Telehealth Logistics .....	536
4.2.1. Types of Telemedicine/Telehealth .....	536
4.2.2. Telemedicine Set Up .....	536
4.2.3. Starting Telehealth .....	536
4.2.4. Team-Based Telehealth Workflows .....	536
4.2.5. Telehealth Encounter Scheduling .....	536
4.2.6. Backup Plan for Technology Failures .....	537
4.3. Telehealth Etiquette .....	537
4.3.1. Provider Telehealth Visit Etiquette Checklist .....	537
4.3.2. Patient Telehealth Visit Instructions .....	538
5. Telehealth Practice Standards .....	539
5.1. Practice Standards .....	539
5.2. TCM via Telehealth.....	539
5.2.1. TCM Modalities Suitable for Telehealth Delivery .....	539
5.2.2. TCM Modalities that CANNOT be Performed via Telehealth .....	539
5.3. Health Problems Management via Telehealth .....	540
5.3.1. Health Problems Appropriate for Evaluation and Management via Telehealth .....	540
5.3.2. Health Problems NOT Appropriate for Evaluation and Management via Telehealth .....	540
5.3.3. Severe or Life-Threatening Problems that are NOT Suitable for Telehealth .....	540
5.4. TCM History and Objective Signs via Telehealth Collection Guidelines .....	540
5.4.1. History of Present Illness .....	540
5.4.2. Diagnostic Studies .....	541
5.4.3. Observation and Physical Examination .....	541

- 5.4.4. Traditional Medicine Tongue and Pulse via Telehealth ..... 542
- 5.5. Telehealth Documentation Specifics ..... 545
- 6. Payment and Billing for Telehealth ..... 545
  - 6.1. Telehealth Coding Guidelines ..... 545
  - 6.2. Telehealth Billing ..... 547
    - 6.2.1. Billing to Patient ..... 547
    - 6.2.2. Private Insurance Billing ..... 548
    - 6.2.3. Private Payer Parity Law ..... 549
- 7. Bibliography ..... 549

**Appendix**

- APHA Guidance: Best TCHM Compounding and Dispensing Practices ..... 551
